Infinite love and radiant light beckon each of us to a life of joy. This realization allows the conflicts and suffering inherent in our search for safety and fulfillment to be relinquished. Our judgements and fears fall away as we experience renewed aliveness and the freedom of forgiveness. Relationships become more peaceful as inner guidance is felt and trusted.

The fruits of peace include meaningful relationships, improved health and well-being, and the liberating opportunity to open to spiritual guides and teachers. Self-love emerges from the luminous nature of being. Our personal journey of awakening peace is a profound spiritual gift to the world.

This workshop is an opportunity to:

- Awaken to the radiant healing presence of God and the guidance of spirit
- Forgive ourselves and others by the restoration of innocence and freedom
- Explore our life's purpose, the paths of joy that love creates for happiness
- Discover the serenity of a life surrendered to the Divine, to peace and beauty
