

Divine Calling

is offered as a healing SEVEN DAY WORKSHOP in Radium Hot Springs, at the Radium Hot Springs Centre, April 30 to May 6, 2023 inclusive.

Facilitated by Henri McKinnon and Val Forshaw

Henri and Val are partners of 40 years whose work and marriage reflect a deep commitment to healing and service. They offer private counselling sessions and healing and training workshops within Western Canada.

We each have a soul purpose, a calling in this life that is divinely inspired, guided and encouraged. This spiritual destiny is both our calling to be of service, and the best doorway to fulfillment, abundance, and freedom. The Divine Self within us is gently calling for our emergence from fear and illusion into the radiant awareness of love and light. In accepting our true nature we are freed from old attachments to fear and pain and invited into the luminous nature of the True Self. Our growing liberation instills a profound trust in God's plan for our happiness.

With a greater awareness of the Presence of the Divine within, we are more open to creative adventures, nurturing relationships, and the healing gifts of Spirit. As the children of God, we are called to awaken to the light within and cherish all beings and ourselves.

This workshop is our opportunity to:

- Awaken to the radiant healing presence of God and the guidance of Spirit.
- Forgive ourselves and others by the restoration of innocence and freedom.
- Explore our life's purpose, the paths of joy that love creates for happiness.
- Discover the serenity of a life surrendered to the Divine, to peace and beauty.
